Introducing our first **CPD Accredited Professional Development Webinars**

We are bringing together healthcare professionals from around the world to transform the care, treatment, education and research of the perimenopause and menopause

In a series of free webinars, with live Q&A opportunities and associating CPD points, we're offering healthcare professionals exclusive access to the UK's leading menopause experts

4th November 2021

What are the health risks of the perimenopause and menopause

Dr Louise Newson

What are the real benefits to women who take HRT

Dr Rebecca Lewis

Sign up to this webinar at bit.ly/NHMS-04-11-2021

7th December 2021
